Rehabilitation of Bhopal gas tragedy victims

649. SHRI KALPNATH RAI:
SHRIMATI SUDHA VIJAY JOSHI:

Will the Minister of INDUSTRY be pleased to state:

(a) what is the estimated number of persons who became physically hadicapped in the Bhopal gas tragedy;

(b) whether all of them have been rehabilitated so far; and

(c) if not, how many such persons still remain to be rehabilitated and what assistance is being given to them and their dependents now?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETROCHEMICALS (SHRI R. K. JAICHANDRA SINGH): (a) According to available information the number of persons affected by the gas leakage disaster at Bhopal exceeds 3,00,000. The complaints commonly reported by many of the affected persons relate to breathlessness and a feeling of getting tired from little exertion. There appear to be mainly due to pulmonary, gastro-intestinal occular and neurological disorders.

(b) and (c) The Government of Madhya Pradesh, apart from providing medical relief by augmenting existing medical facilities and opening new dispensaries, clinics and hospitals in the affected area, have given ex-gratia relief of Rs. 10,000 per deceased to relatives of 1434 deceased persons, identified so far. 34,353 families have been given ex-gratia relief of Rs. 1500 each. The State Government had also distributed free foodgrains to all the affected persons for nearly one year and are taking
